Section 1. Purposes. The Declarant desires to provide for the preservation of the values in Duck Landing with respect to any Dwelling to be constructed on any Homesite in Duck Landing, and to that end, will establish an Architectural Control Committee in order to provide, enforce and maintain certain standards as to harmony of exterior design and location of the improvements on the Homesite in relation to surrounding structures, natural features and topography.

Section 2. Architectural Control. Unless expressly authorized in writing by the Architectural Control Committee (the "Committee"), no Dwelling, fence, wall, driveway, patio, building or other structure or improvement whatsoever may be constructed, nor any exterior addition or alteration to any Dwelling, fence, wall, driveway, patio, building or other structure or improvement be started, nor any clearing or site work shall be commenced, or maintained upon any Homesite in Duck Landing, until plans and specifications therefor showing the shape, dimensions, materials, basic exterior finishes and colors, location on site, driveway, parking, decorative landscape planting, floor plans and elevations therefor (all of which is hereinafter referred to collectively as the "Plans"), shall have been submitted in triplicate to, and approved in writing, as to harmony of external design and location in relation to any surrounding structures, natural features and topography, by the Committee.

The Committee shall have the absolute and exclusive right to refuse to approve any such Plans which are not suitable or desirable in the opinion of the Committee for any reason, including purely aesthetic reasons, which in the sole and uncontrolled discretion of the Committee shall be deemed sufficient; provided that the Committee shall not refuse to approve any Plans which are substantially similar to any other plans and specifications which previously have been approved for any Dwellings. The Committee, in the exercise of its discretion, shall not approve the location of a Dwelling or garage or carport on any

Homesite intended for use as a site for a single family detached dwelling within 25 feet of the front line of such Homesite, within 10 feet of the side lines of such Homesite, and within 25 feet of the rear line of such Homesite. Notwithstanding the application of these setbacks, the Committee shall have complete authority to determine the appropriate building site and location for the Dwellings on each and every Homesite.

Anything herein to the contrary notwithstanding, the Committee may, when concurred in by the Board (before or after transfer of control by Declarant), or the Declarant may unilaterally, vary the building setback lines recited herein, so long as such variance does not cause the revised setback requirement to be less than that set by Dare County at that time. Any such variance shall be evidenced by a certificate of variance or compliance signed by two (2) of the officers of the Association, or by the Declarant, in recordable form and filed in the Office of the Register of Deeds of Dare County.

Section 3. Architectural Control Committee

(a) Membership The Committee shall be composed of five (5) persons (who need not be Members of the Association) appointed by the Board. A majority of the Committee may designate a representative to act for it. In the event of death, resignation, or removal by the Board of any member of the Committee, the Board shall have full authority to designate a successor. Unless otherwise approved by the Association, neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The association shall keep, or cause to be kept, a list of the names and addresses of the persons who form the Committee and a list of the names and address of any designated representatives of the Committee, and such a list shall be available to any owner.

(b) Procedure. At least forty-five (45) days prior to the commencement of any construction, the Plans shall be submitted to the Committee. In addition, at that time the Owner shall also provide to the Committee a completed Residential Building Application, Landscaping Plan, Exterior Color Schedule, a Client/Builder Registration Form and the appropriate application fee. The Owner shall include with the name of the contractor a statement as to the classification of contractor's license held by such contractor, the address and telephone number of the contractor, the names and telephone numbers of two (2) owners of comparable properties previously constructed by such contractor, and a minimum of two financial references.

Approval shall be subject to such regulations, and architectural standards as may from time to time be promulgated by the Committee. Within thirty (30) days after receipt of the Plans and all other required information, the Committee shall notify the Owner of the Homesite or Dwelling in writing as to whether the Plans and the contractor have been approved. The response of the Association may be an approval, a denial, an approval with conditions or a request for additional information. A request for additional information shall be deemed a determination that the information submitted was inadequate, and the thirty (30) day time period for further Committee response shall only commence upon receipt of the requested additional information. If approval with conditions

is granted, and construction then begins, the conditions shall be deemed accepted by the Owner of the Homesite or Dwelling and the conditions imposed shall become fully a part of the approved Plans. If a response is not given by the Committee within thirty (30) days, the Plans shall be deemed approved.

Prior to any ground-disturbing activities commencing on any Homesite for construction of an approved Dwellings thereon, the Committee, on behalf of Declarant or the Association (in event control has been transferred to the Association by Declarant) will collect from the Owner or Contractor, a Twenty Five Hundred Dollar (\$2,500.00) Infrastructure Protection Fee, such fees to be pooled, held in a proper escrow account, and used by Declarant or the Association, at its unilateral discretion, to replace or repair damage done to any Duck Landing improvement or infrastructure during construction of the Dwellings, or for any other purpose whatsoever related to residential construction impact on, or for the general benefit of, the community. The balance of the \$2,500 Infrastructure Protection Fee shall be returned to the Owner within sixty (60) days after the date of completion of the construction.

The Committee may also from time to time, at its sole discretion, require of any contractor a cash or insurance performance bond to guarantee final site clean up and/or extraordinary road repairs necessitated by the actions of the contractor and his workers and subcontractors during the construction of any improvements in Duck Landing.

Any Owner of any Homesite or Dwellings disagreeing with the finding of the Committee may appeal the decision to the Board by giving written notice of appeal to the President of the Association within fifteen (15) days following receipt of notice of denial. The Board shall then review the Plans, giving the Chairman of the Committee the opportunity to present to the Board specific reasons why the Plans were denied, in the presence of the Owner of the Homesite or Dwelling or his agent, and the Owner of the Homesite or Dwelling or his agent may present information challenging the findings of the Committee. The decision of the Committee shall only be overridden by a vote to override by 4/5ths of the Board.

The Committee may adopt a schedule of reasonable fees for processing requests for approval. Such fees will be payable to the Association at the time that the Plans and other documents are submitted to the Committee. The initial approval application fee will be Two Hundred Fifty Dollars (\$250.00). The payment of such fees, as well as other expenses of the Committee required to be paid, shall be deemed to be an individual Assessment, enforceable against the Owner of the Homesite or Dwelling as provided hereinabove. The Committee expressly reserves the right and power, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the Committee in its review of any Plans, and the cost of such consulting service(s) shall be the responsibility of the respective applicant or Owner of the subject Homesite or Dwelling.

All notices required to be given herein shall be given in writing, hand-delivered or mailed postage prepaid, certified or registered mail, return receipt requested or deposited with an overnight carrier (such as, but not limited to, Federal Express), and the Committee shall be obligated to specify the particular grounds upon which denial of any application is founded. One set of Plans denoted as approved (or approved with specified conditions) shall be retained by the Committee and the other two shall be returned to the applicant.

ARTICLE FIVE: RESTRICTIONS ON USE AND RIGHTS OF THE ASSOCIATION.
DECLARANT AND OWNERS

Section 1. In addition, the Developer may cut, in the above described easements, as well as any where else that such may be required, at its own expense, drain ways for surface water and/or to install underground storm drainage wherever and whenever such action is required by applicable health, sanitation or other state or local authorities, or in order to maintain reasonable standards of health, safety and appearance. In addition, along street fronting property lines, in the twenty-five (25) foot easement hereby reserved, Declarant shall also reserve the right for installation, maintenance and repair of bike and pedestrian paths, street lights and/or street-side landscaping. In addition, any such Dwellings shall comply with all applicable building, plumbing, electrical and other codes.

(b) No detached garage, storage shed, or carport shall be permitted unless architecturally compatible with the primary Dwelling on the Homesite.

(c) No vent or other pipes or appendages, including skylights, solar collectors, etc. may extend from the front as it faces the roadway of any Dwelling, unless screened from public view by a screening material or shrubbery approved by the Committee.

Section 12. Unsightly Conditions. During the construction of any improvement to a Homesite in Duck Landing, the Homesite, road, bike paths, landscaping and Common Areas adjacent thereto shall be kept in a neat and orderly condition so as not to cause an unsightly condition to exist or damage to occur. In the event the Owner or his agent or employee (including, without limitation, any contractor or subcontractor) shall fail to maintain the Homesite and adjoining areas as specified herein or allow damage to occur and such failure continues or damage remains unrepaired for seven (7) days following delivery of written notice thereof from Declarant or the Association, Declarant or the Association shall have the right, but not the obligation, exercisable in its sole discretion, to summarily abate any unsightliness, make needed repairs, and to remove any rubbish, refuse, unsightly debris and/or growths from the Homesite and adjoining area. improved, shall be improved and maintained by the Owners of the Homesites on which such joint walkway abuts.

The Committee shall require written proposals for the restabilization of any such disturbed area. Any vegetation disturbed during construction shall be repaired to the satisfaction of the Committee prior to the Owner applying for an occupancy permit from Dare County or the appropriate municipal body. This shall not prevent or limit in any way the Declarant from engaging in such earthmoving, clearing, mowing, and pruning activities as are necessary to affect the overall plan of development.

Section 20. Mail and Delivery Boxes: The Committee shall determine the standards and issue guidelines for the location, material, color and design for mail and newspaper boxes, if any, and the manner in which they shall be identified. The Committee shall only approve the construction of a fence upon a determination that the fence is aesthetically pleasing, does not detract from the reasonable value of any Homesite or Dwellings and does not unreasonably impede the view of any attractive feature from any other Homesite or Dwelling.

Section 23. Docks and Piers. No elevated or suspended walkways of any kind, or any other manmade structure whatsoever, may be constructed in the Common Properties, or any other place, by any one other than the Declarant, except that the owners of Homesites 26, 27 and 28 may construct walkways over the dune, with the approval of the Committee. Prior to occupancy of any Dwelling, the Owner must first notify the Committee in order that an inspection be made by a representative of the Committee to see that all aspects of the Plans have been completed. On inspection and finding that all aspects of the Plans have been completed, the Committee will issue to the Owner a "Certificate of Completion" and the owner may then occupy the Dwelling, subject to compliance with County Ordinances.

Section 26. Energy and Water Saver Construction: Every Dwelling should be built to meet a high level of energy and water saving standards.

If the Board shall levy the applicable minimum assessment for any assessment year and thereafter, during such assessment year, determine that the important and essential functions of the Association cannot be funded by the minimum assessment, the Board, by unanimous decision, may levy a supplemental assessment, but in no event shall the sum of the minimum regular and

supplemental annual assessment for the year exceed the applicable maximum regular annual assessment.

(b) Within thirty (30) days after adoption of the proposed budget by the Board, the Board shall provide to all of the lot Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board shall set a date for a meeting of the lot owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There is no requirement that a quorum be present at such meeting. The budget will be deemed ratified unless at that meeting a majority of all of the lot Owners in the Association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the lot Owners shall be continued until such time as the lot Owners ratify a subsequent budget proposed by the Executive Board.

The regular annual assessment minimum and maximum amounts shall be the sums calculated in accordance with the following schedule as may be increased in each instance by an adjustment for inflation based on the consumer price index as of the first Monday of December for each year, as set forth below.

Per Homesite	\$500.00	\$1,000.00
Per Dwelling	\$1,000.00	\$2,000.00

Section 5. Special Assessments for Capital Improvements. In addition to the regular annual assessments authorized by Section 4 of this Article Eight, the Association may levy in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of professional or consulting fees, any construction or reconstruction, unexpected repairs or replacement of any capital improvement (including, without limiting the generality thereof, waterway, pond, beach or dune located upon the Association's Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the consent of two thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall have been sent to all Members in accordance with the provisions of the Bylaws for Special Meetings.

Section 6. Change in Minimum and Maximum Amount of Annual Assessments. Subject to the limitations of Section 4 of this Article Eight and for the periods therein specified, the Association may change the maximum amount and the minimum amount of the regular annual assessments fixed by Section 4 of this Article Eight prospectively for such period provided that any such change shall have the consent of two-thirds (2/3) of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall have been sent to all Members in accordance with the provisions of the Bylaws for Special Meetings. provided further, that the limitations of

Section 4 of this Article Eight shall not apply to any change in the maximum amount and the minimum amount of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized by law to participate.

Section 7: Quorum for any Action Authorized under Sections 5 and 6. The quorum required for any action authorized by Sections 5 and 6 of this Article Eight shall be as follows.

At the first meeting called, as provided in Sections 5 and 6 of this Article Eight, the presence at the meeting of Members, or of proxies entitled to cast a majority of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at such meeting, another meeting may be called, subject to the notice requirement set forth in Sections 5 and 6 of this Article Eight, and the required quorum at any such subsequent meeting shall be one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than fifty (50) days following the preceding scheduled meeting.

Section 8. Date of Commencement of Annual Assessments: Due Dates. The regular annual assessments provided for herein shall be paid (as determined by the Board) in quarterly, semiannual, or annual installments. The payment of the regular annual assessment by Owners shall commence as to each Homesite or Dwelling, on the first day of the month following the conveyance of that property by the Declarant, but no earlier than January, 2000. The first regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment at least fifteen (15) days in advance of each regular annual assessment period. Written notice of the regular annual assessment shall be sent to every Member subject thereto. The due dates shall be established by the Board. The Association, upon any qualified demand (as determined by the Board) at any time, shall furnish a certificate in writing signed by an officer of the Association setting forth whether any specific assessment has been paid. Such properly executed certificate of the Association as to the status of the assessment is binding upon the Association as of the date of its issuance.

The due date of any special assessment under Section 5 of this Article Eight or any other assessments permitted by the Declaration shall be fixed in the resolution or resolutions authorizing such assessment.

The due date for any liquidated damages or summary charges shall be ten (10) days after notice of the same is forwarded to the Owner.

Section 9. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement, and the amount of the assessment or assessments against each Member, for each assessment period, at least fifteen (15) days in advance of such date or period and shall, at that time, prepare a roster of the Members and assessments applicable thereto which shall be kept in the office of the Association, or at any other place designated by the Board upon notice to the Members, and which shall

be open to inspection by any Member. Written notice of the assessment or assessments thereupon shall be sent to every Member subject thereto.

Section 10. Effect of Non-Payment of an Owner's Assessment: The Personal Obligation of the Owner, The Lien, Remedies of Association. If the assessments or summary charges or liquidated damages of an Owner are not paid within thirty (30) days following the date due (being the dates referred to in Section 8 of this Article Eight), then such assessments shall be delinquent. If the assessments are delinquent, the assessments shall bear interest from the date of delinquency at the rate of one and one-half percent (1½%) per month. Any delinquent assessment levied against a lot shall constitute a lien on that lot when a claim of lien is filed of record in the Office of the Clerk of Superior Court of Dare County. The Association may foreclose the claim of lien in a like manner as a mortgage on real estate under power of sale under Article 2(A) of Chapter 45 of the General Statutes. All fees, charges, late charges, finance, interest and other charges imposed pursuant to this Declaration or the By-Laws are enforceable as assessments under this section.

The personal obligation of the then-Owner to pay all such assessments shall remain their personal obligation for the statutory period, and, in addition, shall pass to their successors in title (as an encumbrance or lien against the Homesite or Dwelling, unless expressly waived by the Board). In addition to the right of foreclosure as set forth above, the Board, acting on behalf of the Association, may bring appropriate civil action against the Owner personally obligated to pay the same. Any foreclosure or civil litigation shall entitle the Association to collect, in addition to the Assessments, all costs of such action and reasonable attorneys' fees and other costs incurred. In the event a judgment is obtained against any owner for such assessments, such judgment shall include the interest on the assessment as set forth above and provide reasonable attorneys' fees and other costs incurred.

Section II. Subordination of the Lien on an Owner's Property to Mortgages or Deeds of Trust: The lien on an owner's property of the assessments provided for herein shall be prior to all liens and encumbrances on a lot except (i) liens and encumbrances (specifically including but not limited to, a mortgage or deed of trust on the lot) recorded before the docketing of the claim of lien at the Office of Clerk of Superior Court of Dare County, and (ii) liens for real estate taxes and other governmental assessments and charges against the lot.

Section 12. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein.

- (a) all Common Properties as defined in Article Two of this Declaration; and
- (b) all properties exempted from taxation by the laws of the State of North Carolina, upon the terms and to the extent of such legal exemption. (Homestead exemptions shall not be considered an exemption.)

Notwithstanding any provisions of this Section 12, no Homesite or Dwelling shall be exempt from said assessments, charges or liens.

Section 13. Declarant's Obligations for Assessments. Prior to January 1, 2008, the Declarant's obligation for assessments on unsold Homesites or Dwellings subject to this Declaration will be limited to the difference between the actual operating costs of the Association, excluding reserves for the Common Properties, and the assessments levied on the existing Members other than the Declarant. In no event, however, will the Declarant be required to make a deficiency contribution in any amount greater than it would otherwise be liable for if it were paying assessments on unsold Homesite(s) or Dwellings(s) owned by Declarant. After December 31, 2007, Declarant shall pay assessments as would any other Owner for each Homesite or Dwelling owned by the Declarant.

ARTICLE NINE: EXTERIOR MAINTENANCE AND INSURANCE

Section 1. Exterior Maintenance. After thirty (30) days written notice to an Owner specifying any required maintenance, the Association shall have the right but not the obligation to provide (a) maintenance upon any Homesite and (b) maintenance upon any Dwelling, which is subject to assessment under Article Eight hereof. Such maintenance includes (but is not limited to) painting, repairing, replacing and care of roofs, gutters, Down spouts, removal of signs in violation of this Declaration, and exterior improvements on any Dwelling. Such maintenance as to a vacant Homesite may include the mowing of grass and weeds, the trimming of shrubs, or the removal of trash and litter.

Section 2: Assessment of Cost on Exterior Maintenance. The cost of any such maintenance shall be assessed against the Homesite or Dwelling upon which such maintenance is done, and shall be added to and become part of the regular annual assessment or charge to which such Homesite or Dwelling is subject and, as part of such regular annual assessment or charge, it shall be a lien against any such Homesite or Dwelling, as heretofore defined and limited, and a personal obligation of the Owner and shall become due and payable in all respects as provided herein.

Section 3: Insurance on Dwelling: Each Owner of a Dwelling within Duck Landing, by acceptance of a deed therefor, whether or not it shall be expressed in said deed or by exercise of any act of ownership, is deemed to covenant:

(a) to keep each Dwelling insured against loss by fire or other casualty, with extended coverage insurance, in an amount equal to at least ninety percent of the replacement cost of such Dwelling;

(b) to name the Association as an additional insured "as its interest may appear," so that the Association shall be entitled to receive notice of cancellation of such insurance policy;

(c) to build or restore such Dwelling in the event of damage thereof and to apply, the full amount, to the extent necessary, of any insurance proceeds to the restoration or

repair of such Dwelling, or to remove a destroyed dwelling and restore the lot in a manner acceptable to the Association;

(d) to keep the Dwelling in good repair as required by this Declaration or by the Bylaws; and

(e) to maintain public liability coverage of at least One Hundred Thousand Dollars (\$100,000) on each Homesite or Dwelling;

In the event of non-payment of any premium for insurance required under this Article Nine, the Association is authorized, but not obligated or required, to pay such premium and the sum so paid shall become a summary charge upon the Homesite or Dwelling, enforceable in the same manner and to the same extent as provided for enforcement of liens for assessments hereunder.

ARTICLE TEN: RECREATIONAL FACILITIES

The Declarant intends to construct one (1) swimming pool and one (1) tennis court within the Common Properties (Recreational Facilities) constituting a portion of Duck Landing, as shown on a recorded plat of Duck Landing (the "Present Recreational Facilities"). These Present Recreational Facilities will be provided for the benefit of all Owners of Homesites or Dwellings, their tenants and guests within Duck Landing, and, at the sole option of Declarant, to owners of Homesites or Dwellings outside of Duck Landing. Nevertheless, the Board shall have the right to form an affiliated association (the "Operator") which may be a separate corporation or a division of the Association and assign to it the responsibilities of maintenance and operation of the Present Recreational Facilities, and any other Recreational Facilities upon such terms and conditions, not inconsistent herewith, as the Board may deem reasonably necessary. The Operator shall maintain and operate such portions of all Recreational Facilities as are designated to be maintained and operated by such Operator for the benefit of every Owner in good standing with the Association. The Association (by action of its Board) or the Operator, as the case may be, may charge dues and membership fees sufficient to defray operating costs and require that all payments be current in order for any Owner, their tenants and guests to enjoy the use of the present Recreational Facilities and any other Recreational Facilities. Furthermore, no Owner or their tenants or guest may use the Recreational Facilities if there exists a recorded lien by the Association for non-payment on any Homesite owned by Owner. The Operator or the Board, as the case may be, may also permit use of any such Recreational Facilities by non-owners and non-residents of Duck Landing upon payment of required dues or membership fees, including without limitation an initiation fee. The Operator may impose reasonable regulations regarding the use of any such Recreational Facilities to insure accessibility, safety, harmony and preservation of any such Recreational Facilities. The Association reserves the right to revoke an assignment made by it to an Operator and to assume the operation of any such Recreational Facilities, on a membership basis, and to impose special fees, charges or assessments against the Owners with respect thereto. The cost of the management, operation, maintenance, repair, servicing, replacement and renewal of the Recreational Facilities shall be deemed

Common Expenses as to all Owners who have the right of access to and use of said Recreational Facilities.

ARTICLE ELEVEN: AMENDMENT TO DECLARATION

Section 1. Owner/Member Initiated. An amendment to this Declaration may be proposed upon a vote of a majority of the Owners (not a majority vote) whether meeting as Owners or by instrument in writing signed by them or by a majority of the Board. It shall be required that each Owner be given written notice of a Special Meeting, stating the time and place, and reciting the proposed amendment in reasonably detailed form, which notice, if mailed, shall be mailed not less than ten (10) days nor more than fifty (50) days before the date set for such Special Meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States Mail, certified with return receipt requested, addressed to the Owner at his address as it appears on the records of the Association, the postage thereon prepaid. Any Owner may, by written waiver of notice signed by such Owner, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such Owner. At the meeting, the amendment proposed must be approved by an affirmative vote of sixty-seven percent (67%) of the votes (with the votes being calculated as provided in Article Six, Section 2) of Owners (including the Declarant) entitled to vote in order for such amendment to become effective. At any meeting held to consider such amendment, the written vote of any Owner shall be recognized and counted even if such Owner is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association prior to or at such meeting. In order for such amendment to be binding upon all the holders of mortgages or deeds of trust against any Homesite or Dwellings, written consent must be obtained from the then existing (as of the date of the meeting of Owners which approved such amendment) holders of First Lien Mortgages or Deeds of Trust encumbering fifty-one percent (51%) of the Homesites or Dwellings in Duck Landing. If so approved, such amendment of the Declaration shall be properly transcribed and certified by two (2) officers of the Association as having been duly adopted and approved by requisite percentages of Owners and/or lenders. The original or an executed copy of such amendment, properly executed with the same formalities as a deed, shall be recorded in the Office of the Register of Deeds of Dare County, and no such amendment to this Declaration shall be effective until so recorded. If any amendment to the Declaration creates an inconsistency in the Bylaws, to the extent such inconsistency exists, the Declaration shall control.

Section 2. Declarant Initiated: Declarant, or its successor or assigns, shall be allowed to make minor (non-substantial) amendments to this Declaration, notwithstanding any other provision contained herein, and without joinder of any other party, for the purposes of correcting any discovered typographical error contained herein, clarifying and ambiguity continued herein, or adding or deleting any incidental provisions deems in the sole discretion of Declarant onto be in the best interest of the Duck Landing, and the Owners therein. This right may be exercised, and shall be effective only upon the recordation of a "Corrected Declaration" in the Office of the Register of Deeds of Dare

County, which Corrected Declaration shall specifically reference this document, and the provision impacted.

ARTICLE FIFTEEN. CAPTIONS, INTRODUCTIONS AND GENDER

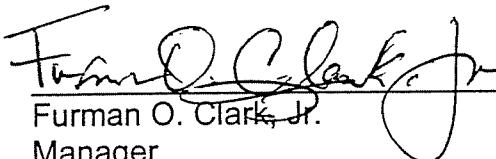

The captions and introductory material herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Declaration nor the intent of any provision hereof. The use of the masculine gender in this Declaration shall be deemed to refer to the feminine and neuter genders and the use of the singular shall be deemed to refer to the plural, and the use of the plural shall be deemed to include the singular whenever the context so requires.

ARTICLE SIXTEEN: SEVERABILITY AND GOVERNING LAW

If any provision of this Declaration is found to be invalid by any court, the invalidity of such provision shall not affect the validity of the remaining provisions hereof, and for the purposes hereof all covenants as contained herein shall be deemed to be severable each from each other without qualification. This Declaration and the separate provisions thereof shall be construed and enforced in accordance with the laws of the State of North Carolina without regard to principles of conflict of laws.
