 ~As a matter of public safety and courtesy, dogs must be on a leash, and under the watchful eye and in contact with their owner at all times. Please remember to clean up after your dogs.

~In consideration of your neighbors, outdoor speakers should be kept on low during the day and turned off by 11pm, as per the Town of Duck ordinance.

~While on the beach, please refrain from walking on and/or disturbing the sand dunes, as they help to preserve our delicate ecosystem. Please be sure to remove all items from the beach every day, including tents, umbrellas, and chairs. Help keep our beaches clean by picking up and disposing of your trash properly. Abandoned items will be removed and discarded.

Beach tents are not permitted within 50 feet on either side of the north walkway.

~Parking permits are required. Parking is permitted only upon the paved parking area of each home. Parking on the streets is not permitted, as not to hinder access by emergency vehicles. Please make note of your street address in the event that you need to call for emergency assistance.

~Boats, trailers, campers, recreational vehicles, large trucks, etc. are not permitted to remain at a home overnight unless they are contained within a carport or garage.

~To preserve the beauty of the community, please refrain from hanging towels or clothing from decks or balconies.

~In keeping with association covenants and in consideration of others in the community, outdoor lights should be turned off by 11:00 pm.

~Per ordinances in the Town of Duck, it is unlawful to use any type of firecracker, torpedo, sky rocket, sparkler, or similar item anywhere in the town. Also per town ordinances, and in consideration of others in the community, creating or permitting any unreasonably loud noise, including outdoor music, that would disturb others is prohibited at all times.
