OWNERSHIP INTEREST/COMMON ELEMENTS

Section 4.1 Common Elements. Each Condominium Unit shall be conveyed and treated as an individual property capable of independent use and fee simple ownership, and the Owner of each Unit also shall own, as an appurtenance to the ownership of said Condominium Unit, an undivided interest in the Common Elements. The undivided interest in the Common Elements appurtenant to each of the Condominium Units is equal as set out in Exhibit “C” attached hereto and made a part hereof.

Section 4.2 Common Expense Allocation. The portion of the Common Expenses of the Association allocated to each Unit is based on the number of bedrooms per Unit as set out in Exhibit “C.”

Section 4.3 Voting Allocation. The vote in the Association allocated to each Unit shall be equal and shall be one (1) vote per Unit.

ARTICLE 5

ALTERATION OF UNITS, RELOCATION OF UNIT BOUNDARIES, SUBDIVISION OF UNITS AND REALLOCATION OF LIMITED COMMON ELEMENTS; SEPARATE CONVEYANCE OF APPURTENANT COMMON PROPERTY PROHIBITED

Section 5.1 Alteration of Units – Boundaries. Subject to the provisions of N.C. Gen. Stat. § 47C-2-108, 47C-2-111, 47C-2-112 and 47C-2-113, and to the limitations contained in Article 16 of this Declaration, Units may be altered, boundaries between adjoining Units may be relocated, Units may be subdivided, Limited Common Elements may be reallocated, and Common Elements may be allocated as Limited Common Elements.

Section 5.2 Alterations of Units – Bedrooms. No Owner of a Unit may increase the number of bedrooms or convert any other room or area within the Unit into an additional bedroom or increase the number of bedrooms that were originally constructed as part of the Unit.

Section 5.3 Common Elements Appurtenant to Units. The undivided interest in the Common Elements declared to be an appurtenance to each Condominium Unit shall not be conveyed, devised, encumbered or otherwise dealt with separately from said Condominium Unit, and the undivided interest in Common Elements appurtenant to each Condominium Unit shall be deemed conveyed, devised, encumbered or otherwise included with the Condominium Unit, even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering or otherwise dealing with such Condominium Unit. Any instrument conveying, devising, encumbering or otherwise dealing with any Condominium Unit which describes said Condominium Unit by the number designation assigned thereto by the map recorded as aforesaid without limitation or exception, shall be deemed and construed to affect the entire Condominium Unit and its appurtenant undivided interest in the Common Elements. Nothing herein contained shall be construed as limiting or preventing ownership of any Condominium Unit and its appurtenant undivided interest in the Common Elements by more than one person or entity as tenants in common, joint tenants or as tenants by the entirety.

Section 5.4 Fire Retardant Paint. The ceilings of each Unit must be treated with fire retardant paint at all times. Any and all ceiling treatments within any Unit must be approved by the Association in writing prior to alteration of Unit.

ARTICLE 6

CONDOMINIUM SUBJECT TO RESTRICTIONS

The Condominium Units and Common Elements shall be, and the same are hereby declared to be, subject to the restrictions, easements, conditions and covenants prescribed and established herein governing the use of said Condominium Units and Common Elements and setting forth the obligations and responsibilities incident to ownership of each Condominium Unit and its appurtenant undivided interest in the Common Elements, and said Condominium Units and Common Elements are further declared to be subject to the restrictions, easements, conditions and limitations now of record affecting the land and improvements of the Condominium and those hereinafter set forth:

Section 6.1 Single Family. Each Unit shall be occupied and utilized only for single family residential purposes subject to the provisions of this Declaration.

Section 6.2 Food Preparation/Exterior. Food preparation, including using exterior or outside cooking equipment, shall not be permitted in any portion of the Common Elements or Limited Common Elements except pursuant to Rules and Regulations which may be adopted, from time to time, by the Board of Directors.

Section 6.3 Occupancy Restrictions. The occupancy of each Unit shall not exceed six (6) Persons at any time.

Section 6.4 Nuisances. No immoral, improper, offensive or unlawful use shall be made of any Condominium Unit or of the Common Elements, nor any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction of the Condominium shall be observed. No Owner of any Condominium Unit shall permit or suffer anything to be done or kept in his Condominium Unit, or on the Common Elements, which will increase the rate of insurance on the Condominium, or which will obstruct or interfere with the rights of other occupants of the Condominium or annoy them by unreasonable noises, nor shall any Owner undertake any use or practice which shall create and constitute a nuisance to any other Owner of a Condominium Unit, or which interferes with the peaceful possession and proper use of any other Condominium Unit or the Common Elements.

Section 6.5 Leasing. Nothing contained herein shall prohibit the leasing or renting of a Unit, provided, however, that:

(a) All leases for any Unit shall be in writing signed by the Owner (or the Owner's property or vacation management company) and the tenant.

(c) All leases shall be in such form, and contain such provisions, as approved by the Board of Directors, including provisions (a) requiring the tenant to comply with the Association Documents, (b) providing that the failure of any tenant under a lease to comply with the Association Documents shall constitute an event of default under the lease, and (c) providing that the Association may exercise any and all remedies for a default under the Association Documents against the Owner and the tenant under the lease including, without limitation, the right to remove a tenant from possession of a Unit by judicial process or otherwise.

A true executed copy of any lease for a Unit shall be provided to the Association upon its request. For purposes of this Declaration, "leasing" is defined as regular exclusive occupancy of a Unit by any Person other than the Owner, for which the Owner receives any consideration or benefit including, but not limited to, a fee, service, gratuity, or emolument. The Executive Board may adopt reasonable additional restrictions and rules regulating leasing and subleasing of Units.

Section 6.6 Timesharing Prohibition. No Unit may be used for, nor shall any Owner permit the use of a Unit for, a timesharing, fraction-sharing or similar program whereby the right to exclusive right of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years.

In addition to the foregoing, the Condominium is subject to those matters affecting the Property set forth on Exhibit "D" attached hereto and incorporated herein by reference.

ARTICLE 7

PERPETUAL EASEMENTS IN COMMON ELEMENTS

Section 7.1 Easements – Common Areas. Subject to the Special Declarant Rights reserved to Declarant in this Declaration and the provisions of N.C. Gen. Stat. § 47C-3-112, all of the Common Elements, except the Limited Common Elements, shall be, and the same are hereby declared to be, subject to a perpetual non-exclusive easement in favor of all of the Owners of Condominium Units in the Condominium for their use and the use of their tenants, guests, invitees and customers, for all proper and normal purposes, and for the furnishing of services and facilities for which the same are reasonably intended for the use and enjoyment of the Condominium Units. For that portion of the Common Elements upon which a particular Unit is located as depicted on Exhibit “B,” the easement to so locate a Unit shall be exclusive. Subject to the Special Declarant Rights, the Association shall have the exclusive right to establish the rules and regulations pursuant to which the Owner of any Condominium Unit, his tenants, guests, invitees and customers, may be entitled to use the Common Elements and to establish regulations concerning the use of said Common Elements.

Section 7.2 Easements – Units. Each Unit Owner hereby is granted a perpetual easement to locate heating and air conditioning systems and related equipment and other utilities upon the Common Elements. When so located, such heating and air conditioning systems, utilities, related pipes, ducts, conduits, wires and related facilities and equipment shall become and be deemed to be a part of the respective Condominium Unit to which they are affixed or serve. Prior to installing any heating and air conditioning systems, utilities or any facilities and equipment in the Common Elements, the Unit Owner shall obtain the consent of the Association as provided in Article 16 herein. This provision shall not apply to the heating and air conditioning systems and facilities and underground propane tanks which are presently located in the Common Elements and any replacements thereto or any heating and air conditioning systems and facilities.

Section 7.3 Reserved Declarant Easements. Declarant, its successors and assigns, reserves a perpetual non-exclusive easement over, upon and across the Common Elements, said easement hereby reserved to be for any and all purposes deemed desirable by Declarant, its successors and assigns, including, but not limited to, (i) the installation, maintenance, repair and replacement of utilities and other services and (ii) pedestrian and vehicular access to other property without regard to whether such other property is contiguous to the Condominium or owned by the Declarant.

ARTICLE 8

EASEMENT FOR UNINTENTIONAL AND NON-NEGLIGENT ENCROACHMENTS

In the event that any Condominium Unit shall encroach upon any Common Elements, or any other Condominium Unit or Units, for any reason not caused by the purposeful or negligent act of the Condominium Unit Owner, or agents of such Owner, then an easement appurtenant to such Condominium Unit shall exist for the continuance of such encroachment upon the Common Elements or upon a Condominium Unit for so long as such encroachment

naturally exist; and, in the event that any portion of the Common Elements shall encroach upon any Condominium Unit, then an easement shall exist for the continuance of such encroachment of the Common Elements upon any Condominium Unit for so long as such encroachment naturally shall exist. If any Condominium Unit or Common Elements shall be partially or totally destroyed as a result of fire or other casualty, or as a result of condemnation or eminent domain proceedings, and if upon reconstruction of such Unit and/or Common Elements in accordance with Article 22 hereof, there exist encroachments of portions of the Common Elements upon any Condominium Unit, or of any Condominium Unit upon any other Condominium Unit or upon any portion of the Common Elements, then such encroachments shall be permitted and a valid easement for the maintenance thereof shall exist so long as such encroachments naturally shall remain.

ARTICLE 9

RESTRAINT UPON SEPARATION AND PARTITION OF COMMON ELEMENTS

Recognizing that the proper use of a Condominium Unit by an Owner or Owners is dependent upon the use and enjoyment of the Common Elements in common with the Owners of all other Condominium Units, and that it is in the interest of all Owners that the ownership of the Common Elements be retained in common by the Owners, it is hereby declared that the proportional undivided interest in the Common Elements appurtenant to each Condominium Unit shall remain undivided and no Unit Owner shall bring or have any right to bring any action for partition or division of the Common Elements.

ARTICLE 10

ADMINISTRATION OF THE CONDOMINIUM BY SEA POINTE CONDOMINIUM OWNERS ASSOCIATION

To efficiently and effectively provide for the administration of the Condominium by the Owners of the Condominium Units, an association of all Unit Owners has been incorporated pursuant to Chapter 55A of the General Statutes of North Carolina known and designated as "SEA POINTE CONDOMINIUM OWNERS ASSOCIATION" (herein sometimes called the "Association"). The Association shall administer the operation and management of the Condominium and undertake and perform all acts and duties incident thereto in accordance with the terms of its Bylaws. The Owner or Owners of each Condominium Unit automatically shall become members of said Association upon his, their or its acquisition of an ownership interest in title to any Condominium Unit and its appurtenant undivided interest in Common Elements, and the membership of such Owners or Owner shall terminate automatically upon such Owner or Owners being divested of such ownership interest in the title to such Condominium Unit, regardless of the means by which such ownership may be divested. No person, firm or association holding any lien, mortgage or other encumbrance upon any Condominium Unit shall be entitled, by virtue of such lien, mortgage or other encumbrance, to membership in said Association or to any of the rights or privileges of such membership. In the administration of the operation and management of the Condominium, the Association, subject to the provisions of N.C. Gen. Stat. § 47C-3-105 and 47C-3-112, shall have and is hereby

granted the authority and power to enforce the provisions of this Declaration, to levy and to collect assessments in the manner hereinafter provided, to adopt, promulgate and enforce such rules and regulations governing the use of the Common Elements as the Board of Directors of said Association may deem to be in the best interests of the Association and to exercise such other powers as set forth in N.C. Gen. Stat. § 47C-3-102, including the right to assign future assessments, assessment rights and income of the Association.

ARTICLE 11

Section 11.2. Percentage of Eligible Mortgagees. Wherever in this Declaration the approval or consent of a specified percentage of Eligible Mortgagees is required, it will mean the approval or consent by Eligible Mortgagees holding mortgages on Units which in the aggregate have allocated to them such specified percentage when compared to the total allocated to all Units then subject to mortgages held by Eligible Mortgagees.

11.3.5. A lapse, cancellation, or material modification of any insurance policy maintained by the Association.

11.3.6. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in **Section 11.5** which notice shall be sent by registered or certified mail return receipt requested.

ARTICLE 14

RIGHT OF ENTRY IN EMERGENCIES

In case of any emergency originating in or threatening any Unit or the Common Elements, regardless of whether the Owner or other Person in occupancy is present at the time of such emergency, the Board of Directors, or any other Person authorized by it, or the managing agent, shall have the right to enter such Unit, such Common Elements for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate. Owners shall provide the Association with a key or entry passcode for Units.

ARTICLE 15

RIGHT OF ENTRY FOR MAINTENANCE OF COMMON ELEMENTS OR OTHER CONDOMINIUM UNITS

Whenever it may be necessary to enter any Condominium Unit for the purpose of performing any maintenance, alteration or repair to any portion of the Common Elements or adjacent Condominium Units, the Owner of each Condominium Unit shall permit other Owners or their representatives, or the duly constituted and authorized agent of the Association, to enter such Condominium Unit for such purpose, provided that the entry shall be made only at reasonable times and with reasonable advance notice. Owners shall provide the Association with a key or entry passcode for Units.

ARTICLE 16

LIMITATION UPON RIGHT OF OWNERS TO ALTER AND MODIFY CONDOMINIUM UNITS; NO RIGHT TO ALTER COMMON ELEMENTS

Section 16.1 Consent to Modification of Units. Subject to the Special Declarant Rights reserved to Declarant in this Declaration, and the restriction in Section 5.2 of this Declaration, no Owner of a Condominium Unit shall permit any modification or alteration to be made to a Condominium Unit or any betterment or improvement to the Limited Common

Elements appurtenant to a Unit without first obtaining the written consent of the Association, which consent may be withheld in the event that a majority of the Board of Directors of the Association shall determine, in its sole discretion, that such modifications, alterations, betterments or improvements would adversely affect or in any manner endanger the Condominium in part or in its entirety. Subject to the Special Declarant Rights reserved to Declarant in this Declaration, no Owner shall cause any improvements or changes to be made to any Unit or building (other than interior painting or other interior decoration) including the installation of electrical wiring, television or radio antennae or any other objects, machines or equipment which may protrude through the walls or roof of any Unit or building, or in any manner alter the appearance of the exterior portion of any building without the written consent of the Association being first had and obtained. Such consent shall not be unreasonably withheld. Subject to the Special Declarant Rights served to Declarant in this Declaration, no Unit Owner shall cause any object to be affixed to the Common Elements or in any manner change the appearance of the Common Elements without the written consent of the Association being first obtained. In the event the Association shall grant its consent for such improvements or changes to be made, such improvements, including but not limited to all antennae and other objects, machines or equipment which may protrude through the walls or roof shall become and be deemed to be a part of the Unit to which they are affixed.

Section 16.2 Indemnification – Unit Modification. Subject to the Special Declarant Rights reserved to Declarant in this Declaration, the Board of Directors of the Association, in its sole discretion, may require a Unit Owner desiring to add betterments or improvements to his Unit or the Limited Common Elements appurtenant to his Unit to indemnify the other Unit Owners and the Association against any and all loss, cost and expense that may be occasioned by the addition of such betterments or improvements and further may require such Unit Owner to obtain liability insurance naming the other Unit Owners and the Association as additional insureds in such amounts and upon such terms as the Board of Directors shall determine.

ARTICLE 17

RIGHT OF ASSOCIATION TO ALTER AND IMPROVE COMMON ELEMENTS AND ASSESSMENT THEREFOR

Subject to Declarant's Special Declarant Rights, the Association shall have the right to make or cause to be made such alterations or improvements to the Common Elements which do not prejudice the rights of the Owner of any Condominium Unit in the use and enjoyment of his Condominium Unit, provided the making of such alterations and improvements are approved by the Board of Directors of the Association and the cost of such alterations or improvements shall be Common Expenses to be assessed and collected from all of the Owners of Condominium Units. However, where any alterations or improvements are exclusively or substantially for the benefit of the Owner or Owners of a certain Condominium Unit or Units requesting the same, then the cost of such alterations or improvements shall be assessed against and collected solely from the Owner or Owners of the Condominium Unit or Units exclusively or substantially benefited, the assessment to be levied in such proportion as may be determined by the Board of Directors of the Association.

ARTICLE 18

MAINTENANCE AND REPAIR BY OWNERS OF CONDOMINIUM UNITS

Section 18.1 Owner Maintenance of Units. Every Owner shall perform promptly all maintenance and repair work within his Condominium Unit which, if omitted, would affect the Condominium, either in its entirety or in a part belonging to other Owners, or adversely impair the ability to rent such Owner's Unit or any other Unit, and every Owner shall be expressly responsible for the damages and liability which his failure to do so may engender. The Owner of each Condominium Unit shall be liable and responsible for the maintenance, repair and replacement, as the case may be, of all air conditioning and heating equipment, fans or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service solely to his Condominium Unit. Such Owner further shall be responsible and liable for the maintenance, repair and replacement of the surfaces of any and all walls, ceilings and floors in the interior of his Unit including painting, decorating and furnishings, and all other accessories in his Condominium Unit.

Section 18.2 Maintenance – Insurance Proceeds. Whenever the maintenance, repair and replacement of any item for which the Owner of a Condominium is obligated to maintain, replace or repair at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair or replacement except that the Owner of such Condominium Unit shall be, in said instance, required to pay such portion of the costs of such maintenance, repair and replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair or replacement.

Section 18.3 Improvements to Limited Common Elements. All betterments and improvements added to the Limited Common Elements by the Unit Owners are a part of the respective Condominium Units and shall be maintained by the respective Unit Owners.

ARTICLE 19

MAINTENANCE AND REPAIR OF COMMON ELEMENTS BY THE ASSOCIATION

Subject to Declarant's Special Declarant Rights, the Association shall be responsible for the maintenance, repair and replacement of the Common Elements, and all conduits, ducts, plumbing, wiring and other facilities located in the Common Elements or in a Condominium Unit for the furnishing of utility and/or other services to the Common Elements or other Condominium Units. If any incidental damage is caused to any Condominium Unit by virtue of any work which may be done or caused to be done by the Association in the maintenance, repair or replacement of any Common Elements, the Association shall, at its expense, repair such incidental damage. Whenever the maintenance, repair or replacement of any item for which the Association is obligated to maintain, replace or repair at its expense is

occasioned by any act of a Condominium Unit Owner, his tenants, guests or invitees, and such loss or damage may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair or replacement, except that the Unit Owner who is responsible for the act causing the damage (whether done by himself or his tenants, guests or invitees) shall be required to pay such portion of the cost of such maintenance, repair or replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair or replacement. Whenever the maintenance, repair or replacement of any item for which the Association is obligated to maintain, replace or repair at its expense is occasioned by an act of a Condominium Unit Owner, his tenants, guests or invitees, and such loss or damage is not covered by any insurance maintained in force by the Association, the Unit Owner who is responsible for the act causing the damage (whether done by himself or his tenants, guests or invitees) shall be required to pay the cost of such maintenance, repair or replacement. Establishment of liability for damage caused by the Owner of a Unit or the Association is subject to the provisions of N.C. Gen. Stat. § 47C-3-107(d).

ARTICLE 20

AUTHORITY TO PURCHASE INSURANCE

All required or permitted insurance policies (other than title insurance and insurance on betterments and improvements to the Limited Common Elements, if any) upon the Property (other than the personal property or improvement and betterments to or of a Unit of the Unit Owners) shall be purchased by the Association in the name of the Association, as Trustees for the Condominium Unit Owners and their respective mortgagees as their interests may appear, and shall provide for the issuance of certificates or memoranda of insurance to the Association and to any Unit Owner, mortgagee, or beneficiary of a deed of trust. Each Condominium Unit Owner may obtain insurance, at his own expense, affording coverage upon his Condominium Unit, his personal property and for his personal liability as may be permitted or required by law, and such insurance shall, if available, contain a waiver of subrogation as to any claims against Condominium Unit Owners, the Association and their respective servants, agents and guests.

ARTICLE 21

INSURANCE COVERAGE TO BE MAINTAINED; USE AND DISTRIBUTION OF INSURANCE PROCEEDS

Section 21.1 Insurance Coverages. The following insurance coverage shall be maintained in full force and effect by the Association:

(a) Casualty insurance covering the Common Elements, and to the extent reasonably available, the Units, including all buildings and all improvements upon the land and all personal property included within the Condominium, except such personal property as may be owned by the Condominium Unit Owners, shall be procured in an amount equal to at least eighty percent (80%) of the maximum insurable replacement value thereof (exclusive of land,

excavation and foundations) as determined annually by the insurance company affording such coverage. Such coverage shall afford protection against: (a) loss or damage by fire and other hazards covered by the standard extended coverage endorsement; and (b) such other risks as from time to time customarily shall be covered with respect to buildings similar in construction, location and use, including, but not limited to, vandalism and malicious mischief. Casualty insurance obtained for the buildings and improvements shall provide such coverage commonly known as "all inclusive building" coverage and/or "completed condominium unit" coverage as such terms are used in the insurance industry, and shall include, but not be limited to, all components of the Units together with fixtures, cabinets, built-in appliances and all other such improvements which were part of the original completed Units, except for betterments and improvements installed by the Owner.

(b) Public liability and property damage insurance in such reasonable amounts and covering all occurrences commonly insured against including death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Elements, and in such forms as shall be required by the Association, including, but not limited to, legal liability, hired automobiles, non-owned automobile and off-premises employee coverage. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Condominium Unit Owners as a group to a Condominium Unit Owner.

Section 21.2 Premiums – Common Expenses. Premiums upon insurance policies purchased by the Association shall be paid by the Association as Common Expenses to be assessed and collected from all of the Owners of Condominium Units.

Section 21.3 Insurance Claim Adjustment. Any loss covered by the property insurance maintained by the Association shall be adjusted with the Association, provided, however, all insurance policies purchased by the Association shall be for the benefit of the Association and the Condominium Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds payable as a result of casualty losses shall be paid to the Association as Trustee. The Trustee shall hold such proceeds in trust for the benefit of the Condominium Unit Owners and their respective mortgagees as their interests may appear.

Section 21.4 Mortgagee – Insurance Proceeds. In the event a mortgage endorsement has been issued for a Condominium Unit, the share of any insurance proceeds of the Condominium Unit Owner shall be held for the mortgagee and the Condominium Unit Owner as their interests may appear, but nothing herein contained shall be construed so as to give any mortgagee the right to determine or participate in the determination of reconstruction or repair.

Section 21.5 Use of Insurance Proceeds. Proceeds of insurance policies received by the Association shall be disbursed first for the repair, reconstruction, or restoration of the damaged property, and Unit Owners and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Condominium is terminated except as specified in Article 22.

Section 21.6 Reimbursement of Initial Insurance Premiums. Declarant shall pay the premium(s) of the initial insurance policies required by this Article 21 and shall be reimbursed for the pro rata portion of the cost thereof by each Unit Owner at the time each Unit is conveyed to a Person other than Declarant, or reimbursed by the Association.

Section 21.7 Insurance Policy Requirements. Insurance policies carried pursuant to this Article 21 shall provide that:

- (a) Each Unit Owner is an insured person under the policy with respect to liability arising out of his interest in the Common Elements or membership in the Association;
- (b) The insurer waives its right to subrogation under the policy against any Unit Owner or members of his household, if applicable;
- (c) No act or omission by any Unit Owner, unless acting within the scope of his authority on behalf of the Association, will preclude recovery under the policy;
- (d) If, at the time of any loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the Association's policy provides primary insurance; and
- (e) The insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each mortgagee or beneficiary under a deed of trust to whom certificates or endorsements have been issued at their respective last known addresses.

Section 21.8 Insurance Coverage – Betterments. The Association shall not be required to maintain insurance coverage for any betterments or improvements to the Units and/or Limited Common Elements added by any Unit Owner and a Unit Owner may be required to maintain such liability coverage as is otherwise provided herein.

Section 21.9 Insurance Availability Notification. If the insurance described in this Article is not reasonably available, the Association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all Unit Owners.

Section 21.10 Flood Insurance. The Association shall maintain flood insurance on the building and all improvements upon the land, the Common Elements, and all personal property of the Condominium (except personal property of the Condominium Unit Owners).

Section 21.11 Fidelity Insurance. If desired, the Association may maintain fidelity insurance.

ARTICLE 22

RECONSTRUCTION OR REPAIR OF CASUALTY DAMAGE

Section 22.1 Reconstruction – Costs. Any portion of the Condominium for which insurance is required pursuant to Article 21 which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (1) the Condominium is terminated, (2) repair or replacement would be illegal under any State or local health or safety statute or ordinance, or (3) the Unit Owners decide not to rebuild by an eighty percent (80%) vote, including one hundred percent (100%) approval of all Owners of Units not to be rebuilt or Owners of Units assigned to Limited Common Elements not to be rebuilt. The cost of repair or replacement in excess of insurance proceeds and reserves shall be a Common Expense. If the entire Condominium is not repaired or replaced, (1) the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium, (2) the insurance proceeds attributable to Units and Limited Common Elements which are not rebuilt shall be distributed to the Owners of those Units and the Owners of the Units to which those Limited Common Elements were allocated or to lien holders, as their interests may appear, and (3) the remainder of the proceeds shall be distributed to all of the Unit Owners or lien holders, as their interests may appear, in proportion to their Common Element interest. If Unit Owners vote not to rebuild any Unit, that Unit's allocated interests automatically shall be reallocated upon the vote as if the Unit had been condemned pursuant to N.C. Gen. Stat. § 47C-1-107(a), and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocations. Unless otherwise prohibited, any such reconstruction or repair shall be substantially in accordance with the plans and specifications contained herein.

Section 22.2 Estimates of Replacement Costs. Immediately after the casualty causing the damage to property for which the Association has the responsibility for maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors deems necessary or appropriate.

Section 22.3 Priority of Repair. When the damage is to Common Elements, Limited Common Elements and Condominium Units, the insurance proceeds will be applied first to the costs of repairing the Common Elements, secondly to the cost of repairing the Condominium Units, and thirdly to the cost of repairing the Limited Common Elements.

Section 22.4 Association Right to Insurance Adjustments. Each Condominium Unit Owner shall be deemed to have delegated to the Association his right to adjust with insurance companies all losses under policies purchased by the Association.

ARTICLE 23

ASSOCIATION TO MAINTAIN REGISTER OF OWNERS AND MORTGAGEES

The Association shall at all times maintain a register setting forth the names of the Owners of all of the Condominium Units. In the event of the sale or transfer of any

Condominium Unit to a third party, the purchaser or transferee shall notify the Association, in writing, of his interest in such Condominium Unit, together with such recording information as shall be pertinent to identify the instrument by which such purchaser or transferee has acquired his interest in any Condominium Unit. Further, the Owner of each Condominium Unit shall notify the Association of the names of the parties holding any mortgage or mortgages on any Condominium Unit, the amount of such mortgage or mortgages and the recording information which shall be pertinent to identify the mortgage or mortgages. The holder of any mortgage or mortgages upon any Condominium Unit may, if he so desires, notify the Association of the existence of any mortgage or mortgages held by such party on any Condominium Unit and, upon receipt of such notice, the Association shall register in its records all pertinent information relating thereto.

ARTICLE 24

ASSESSMENTS: LIABILITY, LIEN AND ENFORCEMENT

The Association is given the authority to administer the operation and management of the Condominium, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Condominium Units. To properly administer the operation and management of the Condominium, the Association will incur for the mutual benefit of all of the Owners of Condominium Units, costs and expenses (not including the payment of real estate and personal property taxes) which are sometimes herein referred to as "Common Expenses." To provide the funds necessary for such proper operation, management and capital improvement, the Association has heretofore been granted the right to make, levy and collect assessments against the Unit Owners and the Condominium Units. In furtherance of this grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation, management and improvement of the Condominium, the following provisions shall be operative and binding upon the Owners of all Condominium Units.

Section 24.1 Levy of Assessments. Except as specifically otherwise provided for in this Article or elsewhere in this Declaration, all assessments levied by the Association shall be levied pursuant to the allocation of Common Expenses set forth in Exhibit "C," as same may be amended from time to time. Should the Association be the Owner of a Condominium Unit or Units, the assessment which would otherwise be due and payable to the Association by the Owner of such Unit or Units, reduced by the amount of income which may be derived from the leasing of such Unit or Units by the Association, shall be apportioned and assessment therefor levied ratably among the Owners of all Units which are not owned by the Association, based upon their proportionate interests of the Common Expenses exclusive of the interests therein appurtenant to any Unit or Units owned by the Association.

Section 24.2 Assessments – Limited Common Elements. Any Common Expense associated with the maintenance, repair or the replacement of a Limited Common Element shall be assessed equally against the Units to which that Limited Common Element is assigned. Any Common Expense or portion thereof benefiting fewer than all of the Units must be assessed exclusively against the Units benefited in such proportions as determined by the Board.

Section 24.3 Payment of Assessments. Assessments provided for herein may be payable in installments as directed by the Board of Directors of the Association. Such assessments shall commence upon closing of the sale of the first Unit.

Section 24.4 Association Budget. The Board of Directors of the Association shall establish an Annual Budget in advance for each fiscal year (which shall correspond to the fiscal year set forth in the Bylaws). Such Budget shall project all expenses for the forth coming fiscal year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves, such budget to take into account projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. The Board of Directors shall keep separate, in accordance with Paragraph E hereof, items relating to operation and maintenance from items relating to capital improvements. Within thirty (30) days after adoption of such Annual Budget by the Board of Directors of the Association, copies of said Annual Budget or summaries thereof shall be delivered to each Owner of a Condominium Unit. Within thirty (30) days after adoption of any proposed Budget, the Board of Directors shall set a date for a meeting of the Unit Owners to consider ratification of the Annual Budget which date shall be not less than fourteen (14) nor more than thirty (30) days after the mailing of copies of such Annual Budget or summary thereof to the Unit Owners. There shall be no requirement that a quorum be present at the meeting. The Annual Budget is ratified unless at that meeting a majority of all the Unit Owners rejects the Annual Budget. In the event the proposed Annual Budget is rejected, the periodic budget last ratified shall be continued until such time as the Unit Owners ratify (i.e. fail to reject by a majority of all Unit Owners) a subsequent budget proposed by the Board of Directors. Should the Board of Directors at any time determine, in its sole discretion, that the assessments levied are, or may prove to be, insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board of Directors shall have the authority to levy such additional assessment or assessments it may deem to be necessary.

Section 24.5 Capital Improvement Fund. The Board of Directors of the Association, in establishing the Annual Budget for operation, management and maintenance of the Condominium, may designate therein a sum to be collected and maintained as a reserve fund for replacement of and capital improvements to the Common Elements, which capital improvement and replacement fund (Capital Improvement Fund) shall be for the purpose of enabling the Association to replace structural elements and mechanical equipment constituting a part of the Common Elements, as well as the replacement of personal property which may constitute a portion of the Common Elements held for the joint use and benefit of the Owners of Condominium Units. The amount to be allocated to the Capital Improvement Fund may be established by said Board of Directors so as to collect and maintain a sum reasonably necessary to anticipate the need for replacement of Common Elements. The amount collected for the Capital Improvement Fund shall be maintained in a separate account by the Association and such monies shall be used only to make capital improvements to Common Elements. Any interest earned on monies in the Capital Improvement Fund may, in the discretion of the Board of Directors of the Association, be expended for current operation and maintenance.

Section 24.6 Assessments – Association Property. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, and the Bylaws of the Association. As monies for any assessment are paid into the Association by any Owner of a Condominium Unit, the same may be commingled with monies paid to the Association by other Owners of Condominium Units. Although all funds and Common Surplus, including other assets of the Association, and any increments thereto or profits derived therefrom or from the leasing or use of Common Elements, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Condominium Unit. When the Owner of a Condominium Unit shall cease to be a member of the Association by reason of his divestment of ownership of such Condominium Unit, by whatever means, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Condominium.

In addition to the Regular Assessments authorized herein, the Association, by and through action of the Board of Directors, may charge each Unit, in any fiscal year of the Association, a Special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, expenses associated with the management and/or maintenance of the Condominium. If authorized by the Board, Special Assessments may be paid by unit owners in monthly or quarterly installments, as determined by the Board of Directors of the Association.

Section 24.7 Delinquent Assessments. The payment of any assessment or installment thereof shall be in default if such assessment or installment is not paid to the Association within thirty (30) days of the due date for such payment. When in default, the delinquent assessment or delinquent installment thereof due to the Association shall bear interest at the rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, until such delinquent assessment or installment thereof, and all interest due thereon, has been paid in full to the Association. All monies owing to the Association shall be due and payable at the office of the Association. In any case where an assessment is payable in installments, upon a default by an Owner in the timely payment of any such installment, the maturity of the remaining total of the unpaid installments of such assessment may be accelerated at the option of the Board of Directors, and the entire outstanding balance of the Assessment, including such delinquent installment, may be declared due and payable in full immediately by the service of notice to such effect upon the defaulting Owner.

Section 24.8 Liability for Assessments. The Owner or Owners of each Condominium Unit shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, which may be levied by the Association against such Condominium Unit while such party or parties are Owner or Owners of a Condominium Unit. In the event that any Unit Owner or Owners are in default in payment of any assessment or installment thereof owed to the Association, such Unit Owner or Owners personally shall be

liable, jointly and severally, for interest on such delinquent assessment or installment thereof as above provided, and for all costs of collecting such assessment or installment thereof and interest thereon, including reasonable attorneys' fees, whether suit be brought or not.

No Owner of a Condominium Unit may exempt himself from liability for any assessment levied against him or his Condominium Unit by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of the Condominium Unit or in any other way.

Section 24.9 Lien for Assessments. Recognizing that proper operation and management of the Condominium requires the continuing payment of costs and expenses therefor, and that such proper operation and maintenance results in benefit to all of the Owners of Condominium Units, and that the payment of such Common Expenses represented by the assessments levied and collected by the Association is necessary in order to preserve and protect the investment of each Unit Owner, the Association is hereby granted the right to place a lien upon each Condominium Unit, and any Limited Common Elements assigned to such Unit, and its appurtenant undivided interest in the Common Elements for nonpayment of any assessment levied against a Unit remaining unpaid for thirty (30) days or longer, which lien also shall secure interest, if any, which may be due on the amount of any delinquent assessments owing to the Association, and which lien also shall secure all costs and expenses, including reasonable attorneys' fees, which may be incurred by the Association in enforcing the lien provided for herein. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages and deeds of trust may be foreclosed under power of sale in the State of North Carolina. The Association shall be entitled to bid at any foreclosure sale and may apply as cash credit against its bid all sums due as provided herein. The lien granted to the Association shall further secure such advances for taxes, and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at the rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, on any such advances made for such purpose. All persons, firms, corporations who shall acquire, by whatever means, any interest in the ownership of any Condominium Unit, or who may be given or may acquire a mortgage, lien or other encumbrance thereon, are hereby placed on notice of the lien rights granted to the Association, and shall acquire such interest in any Condominium Unit expressly subject to such lien rights.

The lien herein granted unto the Association shall be enforceable from and after the time of recording a claim of lien in the Office of the Clerk of Superior Court of Dare County, North Carolina, which claim shall state the description of the Condominium Unit encumbered thereby, the name of the record owner, the amount due, the date when due and shall comply with any other requirements under N.C. Gen. Stat. § 47C-3-116. The claim of lien shall be recordable at any time after default and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid, but shall be extinguished unless a proceeding to enforce the lien is instituted within three (3) years after the docketing thereof. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided and all fees, charges, late charges, fines and interest as set forth in

N.C. Gen. Stat. § 47C-3-116. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

The lien provided for herein shall be prior to all liens and encumbrances on a Unit except (1) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the Unit) recorded before the docketing of the lien in the Office of the Clerk of Superior Court, and (2) liens for real estate taxes and other governmental assessments or charges against the Unit. This subsection does not affect the priority of mechanics' or materialmen's liens.

If the holder of a first mortgage or first deed of trust of record, or other purchaser of the Unit, obtains title to the Unit as a result of foreclosure or deed in lieu of foreclosure of a first mortgage or first deed of trust, such purchaser, and its heirs, successors and assigns, shall not be liable for the assessments against such Unit which became due prior to acquisition of title to such Unit by such purchaser. Such unpaid assessments shall be deemed to be Common Expenses collectible from all of the Unit Owners including such purchaser, and its heirs, successors and assigns although nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

Section 24.10 Statement of Assessment Status. Whenever any Condominium Unit may be leased, sold or mortgaged by the Owner thereof, the Association, upon written request of the Unit Owner, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association for such Unit. Such statement shall be executed by any officer of the Association, and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such statement.

Section 24.11 Election of Collection Remedies. Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking, by foreclosure action, enforcement of the collection of any sums remaining owing to it, nor shall proceeding by foreclosure to attempt such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association.

Section 24.12 Initial Contribution to Working Capital Fund. Upon the sale and closing of the purchase of each Unit by the Declarant to a Person other than Declarant, the purchaser of each Unit shall pay a non-refundable contribution to the working capital of the Association in an amount equal to two (2) monthly installments of the annual Common Expense liability to be assessed against such Unit for the first year of operation of the Condominium. The contribution to working capital may be utilized to reimburse the Declarant the costs of premiums for insurance purchased by the Declarant for the benefit of the Condominium and the Association.

ARTICLE 25

COMMON SURPLUS

“Common Surplus,” meaning all funds and other assets of the Association remaining after the payment of or the provision for Common Expenses, including reserves, shall be owned by the Owners of all Condominium Units in the same proportion as their Common Expense liabilities. Except for distribution of any insurance indemnity herein provided, or upon termination of the Condominium, any attribution or distribution of Common Surplus which may be made from time to time shall be made to the then Owners of Condominium Units in accordance with their percentage interest in Common Surplus as declared herein. All Common Surplus remaining after payment of or provision for Common Expenses, including prepayment of reserves, must be paid to the Unit Owners in proportion to their Common Expense liabilities or credited to them to reduce their future Common Expense liabilities.

ARTICLE 26

TERMINATION

The Condominium may be terminated only in strict compliance with N.C. Gen. Stat. § 47C-2-118.

ARTICLE 27

AMENDMENT OF DECLARATION OF CONDOMINIUM

This Declaration may be amended as follows:

Section 27.1 Amendments Proposed by the Association. An amendment or amendments to this Declaration may be proposed by the Board of Directors of the Association acting upon a vote of a majority of the Directors, or by the members of the Association owning a majority of the Condominium Units, whether meeting as members or by instrument in writing signed by them. Upon any amendment or amendments to this Declaration being proposed by said Board of Directors or members, such proposed amendment or amendments shall be transmitted to the President of the Association, or other officer of the Association in the absence of the President. It shall be the duty of the Secretary to give to each member written or printed notice of any meeting called to consider the amendment or amendments, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such member. At the meeting, the amendment or amendments proposed must be approved by an affirmative vote of at least sixty-seven percent (67%) of the votes in the Association which are allocated to Unit Owners in the Condominium in order for such amendment or amendments of this Declaration to be

adopted. Any such amendment or amendments as adopted shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted. The original or an executed copy of such amendment or amendments, so certified and executed with the same formalities as a deed, shall be recorded in the Register of Deeds Office of Dare County, North Carolina, such amendment or amendments to specifically refer to the recording data identifying this Declaration. Thereafter, a copy of said amendment or amendments in the form in which the same were placed of record by the officers of the Association shall be delivered to the Owners of all Condominium Units, but delivery of a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments.

As an alternative to holding a meeting of the members to consider an amendment of this Declaration, a written agreement may be circulated among the members. The written agreement shall include the proposed amendment or amendments in reasonably detailed form. To be effective, the written agreement must be executed by Unit Owners of Units to which at least sixty-seven percent (67%) of the votes of the Association are allocated. Once approved, the amendment or amendments shall be transcribed, certified, executed, recorded and a copy sent to all Owners as specified above.

Section 27.2 Amendments by Declarant. A Declarant may amend the Declaration as set forth herein and in the Act without the consent of any other Person or the Association to exercise Development Rights.

Section 27.3 Amendments requiring Declarant Consent. During the period reserved by the Declarant to exercise Development Rights, this Declaration may not be amended without the prior written consent of the Declarant. Except to the extent expressly permitted by the Act or other provisions of this Declaration (in compliance with the Act), no amendment may create or increase special Declarant Rights, create or increase Development Rights, increase the number of Units, change the boundaries of any Unit, change the allocated interest of any Unit, or change the uses to which any Unit is restricted in the absence of unanimous consent of the Unit Owners.

ARTICLE 28

REMEDIES IN EVENT OF DEFAULT

The Owner or Owners of each Condominium Unit shall be governed by and shall comply with the provisions of this Declaration, and the Bylaws of the Association, as any of the same are now constituted or as they may be amended from time to time. A default by the Owner of any Condominium Unit shall entitle the Association or the Owner of other Condominium Units to the following relief:

Section 28.1 General Default Remedies. Failure to comply with any of the terms of the Association Documents shall be grounds for relief including, without limitation, fines, actions to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. Assessments in the form of fines for the violation of the Association

Documents shall be subject to the provisions of N.C. Gen. Stat. § 47C-3-107A. Such relief may be sought by the Association or, if appropriate, by an aggrieved Unit Owner.

Section 28.2 Liability for Damage by Owners. Each Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by that of any member of his family, or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Condominium Unit or its appurtenances. Assessments for such liability shall be subject to the provisions of N.C. Gen. Stat. § 47C-3-107(d). Nothing herein contained, however, shall be construed so as to modify any waiver by insurance companies of rights of subrogation.

Section 28.3 Attorneys' Fees. In any proceeding arising because of an alleged default by a Unit Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the Court, but in no event shall any Unit Owner be entitled to such attorneys' fees except as otherwise provided in N.C. Gen. Stat. § 47C-3-116(e).

Section 28.4 No Waiver. The failure of the Association or any Unit Owner to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above-mentioned documents shall not constitute a waiver of the right of the Association or the Unit Owner to enforce such right, provision, covenant or condition in the future.

Section 28.5 Cumulative Remedies for Default – Self-Help. All rights, remedies and privileges granted to the Association or the Owner or Owners of a Condominium Unit pursuant to any terms, provisions, covenants or conditions of the Association Documents, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

In addition to other rights set forth in the Association Documents and the Act, upon violation or breach of any provision of the Association Documents, the Board of Directors shall have the right: (i) to enter a Unit or Limited Common Element appurtenant thereto, on which or as to which such violation or breach exists and summarily to abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions of the Association Documents, and the Board shall not thereby be deemed guilty in any manner of trespass, (ii) to use self-help to remove or cure any violation of the Association Documents (including, without limitation, the towing of vehicles); or (iii) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach; provided, however, that before any construction or improvements may be altered or demolished, except in emergencies, judicial proceedings shall be instituted by the Association against such defaulting Owner or its tenant.

Section 28.6 No Waiver by Declarant. The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or the other above-mentioned documents shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

Section 28.7 No Waiver by Mortgagee. The failure of a first mortgagee to enforce any right, provision, privilege, covenant or condition which may be granted by this Declaration or the other above-mentioned documents shall not constitute a waiver of the right of said party or parties to thereafter enforce such right, privilege, covenant or condition in the future.

ARTICLE 29

Section 29.5 Interference with Special Declarant Rights.

(a) Neither the Association nor any Unit Owner may take any action or adopt any rule that will interfere with or diminish any Special Declarant Right without the prior written consent of Declarant.

(b) In relation to Declarant's exercise of any Special Declarant Right, the provisions of the Declaration which prohibit or require approval of construction of or additions or alterations to any improvements shall not be applicable.

Section 29.6 Assignment of Declarant's Rights and Duties. Declarant may limit and restrict the rights and powers which are assigned to any person, corporation, or association in the instrument which assigns such rights. The term "Declarant" as used herein includes all such assignees and their successors and assigns, subject to such restrictions or limitations as may be imposed in the instrument assigning such rights.

ARTICLE 30

CONFLICT WITH CONDOMINIUM ACT; SEVERABILITY

Should any of the terms, conditions, provisions, paragraphs or clauses of this Declaration conflict with any provisions of the Condominium Act, the provisions of the Condominium Act shall control unless the Condominium Act permits the Declaration to override the Condominium Act, in which event the Declaration shall control. In the event that any of the terms, provisions or covenants of this Declaration are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants hereof or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

ARTICLE 31
