APPROVED EXTERIOR DECK STAINS

BEHR - Clear Transparent #400 or #500

Sherwin Williams Deckscapes Exterior Oil Toner Stain - Natural # A18C50500

At the August 2013 Board of Directors (BOD) meeting, the board voted to allow owners to add a clear sealer on their decks. The stipulation is that the sealer must be a clear, transparent sealer (NOT semi-transparent) so as to show all the wood grain – stains or paints that cover the wood grain are NOT permitted.
